WORK TO BE CARRIED OUT AT: 12 Wall St, Maylands WA 6051

DATE: 24/11/2017		CUST ORDER NO:		JOB NO: 40005	
Qty	Description	Unit Cost	Total Price ex GST		
1	Relining as quoted	\$7,400.00	\$7,400.00		
		<b>SUBTOTAL</b>	\$7,400.00		
		<i>GST</i>	\$740.00		
		<b>TOTAL CHARGE</b>	\$8,140.00		

**WORK TO BE COMPLETED**

To supply and install relining to affected areas as identified in job #39637

1. Use large truck jet to clear the remainder of the thick tree roots inside the pipe joint. Supply & Install a 2 meter Nuflow Reline to cover section of concrete storm water pipe that has dislodged and allowing major tree root ingress, Reline to also cover hole in the top of the pipe allowing tree root ingress.

Tunnel Vision's relining system is a no-dig trench-less technology solution that comes with a 50 yr product warranty and 10 yr workmanship warranty - see attached.

We have some very strong selling points:

1. Australian made
2. 50 year written insurance backed warranty
3. 1st Company to obtain Watermark approval for Australia and New Zealand
4. Own Laboratory and Industrial Chemist and Polymer Engineer.

The Nuflow Blueline Relining system now has Watermark Certification for Cured In Place Pipe (CIPP) System for Rehabilitation of Non Pressure Pipelines of Nominal Sizes up to DN150 Consisting of a Custom Manufactured Liner (PET) that is Impregnated with Epoxy Resin (EP) The Liner is Pulled Into Place with a Bladder that is Inflated Forcing the Liner Against the Pipe Once Cured the Bladder is Removed Nominal Cured Thickness 3.5mm Blue Colour

This approval covers sewerage and stack work in sizes up to 150mm under AS/NZ 3500.

Quotation remains valid for 30 days from the above date; however, Tunnel Vision reserves the right to revoke the offer constituted by this quotation at any time prior to acceptance. A 50% deposit is required once quoted works has a confirmed booking date, and then remaining is due on completion of works.

I have read and agree with the Terms and Conditions.

**SPECIAL TERMS AND CONDITIONS ON ACCEPTANCE OF QUOTE**

In the event of suspension or delay of works as a result of instruction or lack of instruction from the customer/client or his/her representatives, the quoted price may be increased at the discretion of Tunnel Vision to cover extra expenses incurred thereby.

Due to the nature of the works being undertaken by Tunnel Vision and the fact that Tunnel Vision is working with aged and damaged pipes that are otherwise difficult to access, circumstances can arise that are beyond the reasonable control of Tunnel Vision that will necessitate variations to the work to be undertaken (including possible excavation) and may require Tunnel Vision to amend its quotation.

These circumstances include:-

- Damage to existing pipe works being more extensive than Tunnel Vision had reasonably anticipated;
- Any hard digging or rock breaking.
- Adverse weather conditions for example inclement weather.
- Any additional works not listed in the quotation.
- The unexpected use of the pipe being repaired by the customer or others before repairs can be completed or curing time can be completed.
- Any variations to the works will be quoted and forwarded prior to any variation being carried out. The variation must be signed by the proper authorized person.
- Where possible, Tunnel Vision will endeavour to complete the works within the time frame requested. However, in the absence of a specific agreement in writing with Tunnel Vision as to the time for completion of the works, Tunnel Vision offers no guarantees as to when the works will be completed, primarily due to the factors referred to above.
- Curing times for the relining system may vary depending on prevailing weather conditions.
- All warranties will be provided after full payment is made.
- Tunnel Vision shall otherwise not be liable for any injury, loss or damage to persons or property arising out of or in any way as a consequence of work carried out as a result of this quotation.
- The client is responsible for obtaining any council or other statutory approvals & is responsible for the payment of any fees necessary to obtain those approvals unless otherwise specifically agreed in writing with Tunnel Vision (WA) Pty Ltd.
- Tunnel Vision agrees to reasonably cooperate in assisting the customer obtains any necessary approvals.

Yours sincerely

Tunnel Vision (WA) Pty Ltd
