Thank you for choosing Tunnel Vision, your pipe repair and unblocking specialists.

We are pleased to provide you with a simple, practical and cost effective solution to your problem pipes. Please find enclosed your relining quote. We look forward to providing a no fuss solution

our work...

Utilising the latest technologies and epoxy resins, we can solve any problem with sewerage, stormwater or drainage systems. Using one of the most versatile lining systems in the world, we can repair any type of pipe in diameters from 40 to 1000mm. Sewerage, stormwater or trade waste pipes under tons of concrete, roads or floors presents no problem. We have done some amazing repairs and have come to learn that nothing is really impossible.

We provide pre and post CCTV footage recorded to DVD for you to see exactly the work we have done, providing you with both before and after footage of your drainage system

our warranty...

At Tunnel Vision we offer a 50 year product warranty and 10 year workmanship warranty on all installations of relines. This is your piece of mind to you the client when deciding whether to go ahead with your quote. This lifetime warranty warrants that the material of the liner is free from defect throughout the expected lifetime, to a maximum of 50 years, subject to its normal use and reasonable maintenance. We will repair, replace, or re-install, for the original purchaser or assignee, any defective part or portion of the liner during the period of the warranty. This then further warrants against root intrusion or breakage of the liner along the entire installed length.
